Mr. Harry Lee Koontz

With due honor and in all sincerity, we, the Senior Class of nineteen hundred fifty-nine dedicate our BAR to Mr. Harry Lee Koontz. Mr. Koontz has been not only a considerate and understanding teacher, but a true friend and he is the best coach that a basketball team could ever have.

At times when we become temporarily discouraged, Mr. Koontz inspired us to keep the "spark of learning" shining bright within our minds. So with all these excellent qualities in mind, we feel that our BAR could not possibly be dedicated to a finer person than Mr. Harry Lee Koontz.

Dedication

Congratulations to the Class of 1959

The 1959 graduating class is to be congratulated for having the honor of being the first class to graduate from the beautiful new high school. With increasing demands being made on high school graduates in a competitive world, it is most important that students have the best possible opportunities.

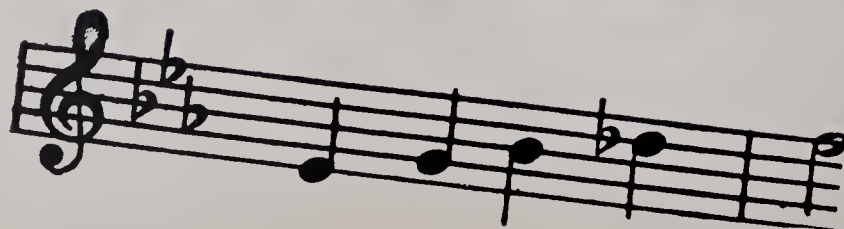

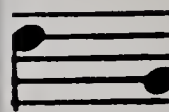

It is also important that students take full advantage of every opportunity and facility to prepare themselves for the keen competition that is resulting from better educational advantages.

It is also important that education encourage a love for beauty, a respect for property, and ability to get along with students and people generally. Living so close together in the world of today it is a delicate relationship to live in harmony and peace with fellow men.

It is my sincere hope that every graduate has been inspired to develop his or her life to the very best possible. Continued study and continued success will undoubtedly go hand in hand.

Best wishes for your continued success and happiness.

Charles C. Erwin, Superintendent
Rowan County Schools
1959

Congratulations

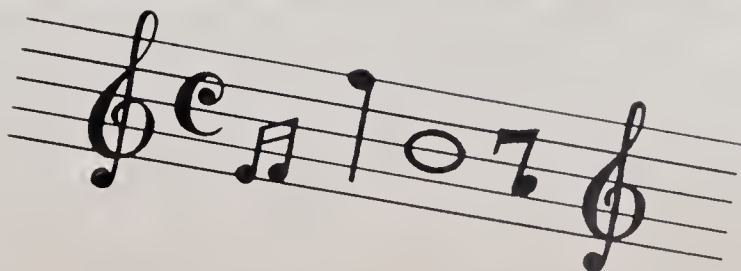

To the 1959 Graduates of Dunbar High School, congratulations - Your achievements will lead you to your first Big Highway of Life. Enter this highway with a clear, open mind and a constant vision on the Success Signs of Life. Follow these carefully and thoughtfully in your efforts to reach your goal.

Thoughts expressed in these lines will guide you:

I said to the man who stood at the gate of Years, "Give me light, that I may tread safely into the unknown," and he replied, "Go out into the darkness and put your hand into the Hand of God. That shall be to you better than light, and safer than the known way."

Yours for success,

Mrs. Doreatha E. Williamson

Seniors,

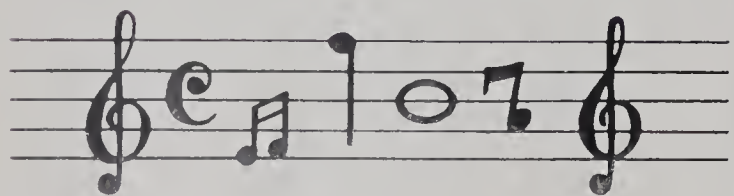

You have come to the parting of the ways, "Some will take the high road and others will take the low road," but all, I hope will carry with them the noble resolve that not only may we be proud of you and our Alma Mater, but that others may in turn glory in you.

May you find in life what you desire. May the future prove you the builders of such records as will reflect credit on this institution and make you proud and glad to come back in the days with those who follow you as you stand, today, on the threshold.

Here's to you, the class of 1959!

R. E. Dalton

Principal

Miss Nora L. Jeter
Secretary

To The Graduating Class,

As you stand poised on the threshold of graduation from High School, may I take this opportunity to congratulate you on your past achievements and urge you to continue your forward march toward greater height, regardless of whether you go to college or out into the world on your own to seek your goals and carve for yourselves a place of dignity and respect in this complex and fast-moving society in which you find yourselves. May you always be ever mindful of the brotherhood of man, for only through the love of, and the respect for the rights and privileges of your fellow-man, can you achieve the peace, happiness, and fruitful life that is your undeniable right and privilege to pursue.

Again I congratulate you!

Sincerely yours,

Class History

At last, we the senior class of 1959, have reached the "peak" of our high school days. No longer will we be able to roam the halls of our dear ole Alma Mater as a class united together. As we make our last tribute to Dunbar let us take an adventure through our past.

When the fall of 1955 rolled around, we as freshmen entered the high school department of Dunbar. The class was composed of students from Granite Quarry and Dunbar. What a group of freshmen we were, seventy-two in fact. Not only were we large in number but we had the ability of leadership in numbers with many new scholastic potentials awaiting us. Under the guidance of Mr. Harry L. Koontz and Mrs. Naomi Mitchell we were divided into two groups with Beverly Tillman and Clarence McKee as class presidents. By the mid-term we had settled down, we were no longer wide-eyed, eager adventurers, but students with a determination to get ahead. The honor roll by no means gave us a scare, rather it gave us a dare. We didn't intend to be left out of any activities in the school. But who would have ever dreamed that Demetrius Evans, Jacquelyn White, and Lorene McCuthen would be cheerleaders?! When the basketball season drew near, many of us attempted to make the team, but we were not successful. Our candidate for the Miss Dunbar Contest was Beverly Tillman; although she came in third, we were proud of our freshman class and its determination not to give up but to keep on trying. Margaret Jeter was elected Treasurer of the Student Council of our group. This also gave us a great honor.

Realizing that we were now in Senior High School, we, as sophomores began to plan for a more honorable year than our first one. We were again divided into two groups. Mrs. Winifred Poe and Miss Ruth Holmes were our advisors. The safety patrols were re-organized during this year. Margaret Jeter, Marian Poe, and Frances Hackett were very active in helping the students carry out our school policies. This was a great year for us when Robert Wiley, Robert Henderson, Joshua Drafton, Walter Roseboro, and Clarence McKee were very active on the basketball team. What a group of enthusiastic sophomores we were. Another honor was given to us when Marilyn Moser was chosen as Miss N. H. A. She won over three other competitors. A pep squad was organized under one of our advisors Miss Holmes, several students who were active enough to become members were: Ida Davis, Annie Corpening, Marilyn Moser and Beverly Tillman. Margaret Smith was our contestant in the Miss Dunbar Contest, again we came in third. Lillie Mae Burnon from our section was chosen as secretary of the Student Council, and Demetrius Evans and Frances Hackett were chosen as representatives. Marilyn Moser, Jacquelyn White, Beverly Tillman, Margaret Jeter, Robert Wiley, Clarence McKee, and Larry Sturdivant and Ronald Irby, were chosen as waitresses and waiters for the Junior-Senior Prom. Our participating in many new activities did not keep us off the honor roll, however, many times we led it.

In the fall of 1957 a year that we had long awaited was now beginning. This was our Junior year. Realizing

that many obstacles lay awaiting us, we became united again with Mrs. Flornnie Davidson, Mrs. Lavolia Vails and Mrs. Ester Marianeaux as our advisors. This was the year that was going to prove a trying one for us. No longer were we looked upon as "green horn" and unsophisticated sophomores, but ambitious Juniors. Because of scholastic maintenance Lillie Mae Burnon, Margaret Jeter, Dorothy McGuire, Doris Seigle, Clarence McKee and Robert Wiley were chosen as Junior Marshals. To every junior the prom is the most important high-light. Our theme was "Stairway To The Stars." What a beautiful arrangement it was! Everyone was dancing to the music of Carver High School Jazz Band. Our Junior year was also filled with thinking of music coming from the band, under the direction of Mr. Clyde Dungee. We had four majorettes representing our class, they were: Carolyn Johnson, Margaret Smith, Frances Hackett and Marian Poe. We also had four girls from our class who were chosen as letter girls for the band, they were: Dorothy Hunter, Marilyn Moser, Beverly Tillman and Jacquelyn White. We were represented in the various clubs in our school. Because of the magnificent playing of Robert Wiley, Joshua Drafton, Clarence McKee and Jackie Jones, the double A Basketball District Championship Award was captured. Two members were chosen on the all state team, Joshua Drafton and Jackie Jones. Robert Wiley received a trophy for the most valuable player.

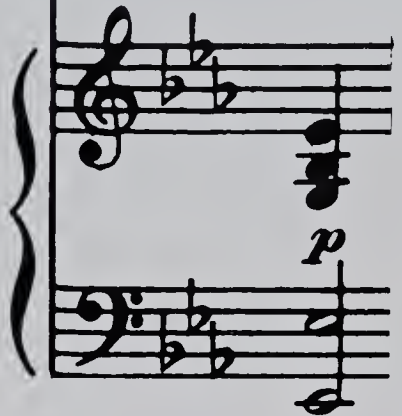

With the future creeping upon us and high school life almost over, the Senior Class of 1959 was organized and united under Mrs. Julia Kelly. In the fall of 1958 we saw a glimpse of what college life is going to be. We made two trips, one to Livingstone College and the other to A & T College at Greensboro, N. C. Senior life began as a big job for we had a new building to begin our senior year in. Clarence McKee was one of the speakers at our dedication of the new building, also Marian Poe. We now realized that leadership was one of our best talents. Clarence McKee was established as president of the Student Council; Beverly Tillman became president of the Safety Patrols; with Margaret Jeter, Robert Wiley, Jacquelyn White and Clarence McKee taking active parts.

Because of the determination to succeed and the ability to play ball our present basketball team is the best in the double "A" Conference. It is an honor to us because four senior boys are on the team. Two of whom received awards for their spectacular playing. They were named on the All State team both in the district tournament and in the State tournament which was held at A & T College in Greensboro, N. C. They were Robert Wiley and Joshua Drafton. Honor is also given to Clarence McKee and Robert Henderson, and to the other boys who were on the team. I am sure that without their help we could not have gone all the way. That is why I say "don't give up but keep on trying and perhaps your chance will soon come."

Now that you have been taken on an adventure through our past, we bid you farewell.

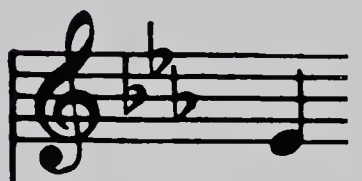

Beverly Tillman

Class Poem

Our Prayer

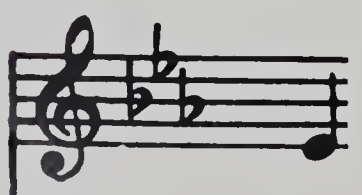

O, God to thee we humbly come
With gratitude and thanks in our hearts
For this a great day
For us has been set apart
To count the blessing we have gained
During the past Twelve years,
Some were gained with joy and laughter
Others through pride and tears.

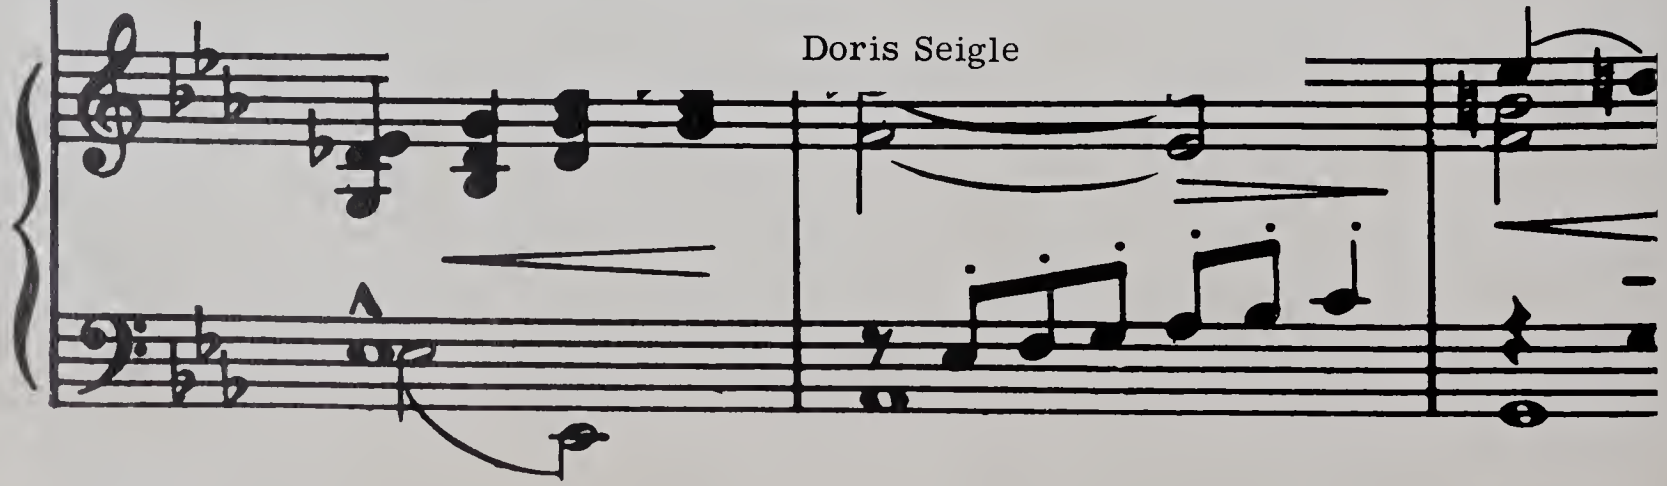

Bless each of us dear Father
As we onward travel in life,
Help us to work, help us to choose
All in life that is right
Guide us Dear Lord in the upward path,
Steer our minds and our thoughts,
Some contribution help us to make
For the time we long have sought.

As we leave this golden institution
Let our lives be meaningful
Help everyone to take his place
In this busy-growing world.
Teacher and preacher some of us will make,
Maybe a doctor or nurse or two,
But however, and whatever we pray
For loads of success in all we do.

Last but far away from least
For our parents and teachers we pray
A very special, special blessing
In making this our happiest day.
Bless all of those who has contributed
In some way great or small
Our friends, neighbors, and fellowmen
Lord bless us all. Amen

Our Class Tune

Musical score for 'Our Class Tune'. It consists of a single melodic line in the treble clef and a piano accompaniment in the grand staff (treble and bass clefs). The key signature has two flats (B-flat and E-flat), and the time signature is 4/4. The melody is simple and lyrical, with a final cadence. The piano accompaniment features chords and moving lines in both hands, with a 'p' (piano) dynamic marking.

I Love You Truly

Musical score for 'I Love You Truly'. It includes a vocal line in the treble clef and a piano accompaniment in the grand staff. The key signature has two flats, and the time signature is 4/4. The piano accompaniment includes a 'p' dynamic marking.

The time has finally rolled along
For us to bid farewell, so long
And as we make preparation to depart
There'll remain love and truth in our hearts.

Our parents and teachers have strived very hard,
To make the best of our golden start.
We'll never forget them as long as we live,
But to the world our all we'll give.

Of course there's sadness as we leave our friends,
One lovely family we all have been
As we endeavor to search for success
In everything we'll promise our best.

Dear Ole Dunbar, always true to thee we'll be
To us you've been a symbol of loyalty
As we depart, in our hearts there'll be a song.
For now its time to say good-bye, so long.
